Skills Summary

Concept Development

Creative brainstorming, scamping and conceptual refinement are an essential part of my work method.

Art Direction

Acting as a creative lead, I am experienced and comfortable directing designers, illustrators, developers and photographers.

Design & Illustration

Extensive experience in design for screen & print as well as strong illustration skills ensure that my concepts really come to life.

Brand Experience

My diverse background in youth and fashion brands, including establishing and running one of my own, has helped deliver innovative solutions for global brands in such areas as property, automotive and FMCG.

Clients

The Affair

Partner // May 2007-Present
